Manchester 7th February 2009 – Round 4

The Cliff Training ground was the venue for round 4 of the Cerebral palsy football league, thankfully indoors with the recent inclement weather. Adam Temple and all the staff at The Cliff ensured the day ran smoothly, spectators were treated to some fine football in both divisions. Our appreciation and gratitude goes to the Shepherd Street Trust for their valuable contribution in supporting Cerebral Palsy Sport.

Under 13 Report

The Rhinos played some excellent football winning all four matches leaping the Marvels to top spot in the league, but in the final fixture Marvels pushed the Rhinos all the way with the winning goal for the Rhinos being scored in the last minute.

The Midlands and Rovers battled hard, Rovers defeating the Marvels but no wins for the Midlands however good competitive matches by all the teams.

With two more rounds to go, a winning run by any of the teams will make the league very interesting.

Under 17 Report

The Tigers were tamed by the Red Devils or should I say held to a draw, in what was a very good close game of football which could have gone either way.

Aston Villa picked up their first points in the league Campaign with a win against the Red Devils and a draw with the Wildcats.

Although Wakefield Tigers have a 12 point advantage, the title is all to play for and the next fixtures to be played in Nottingham March 21st should be more than competitive for all teams.
