Welcome

CP Sport would like to welcome you to the CP Sport National Athletics Championships 2024. We would like to thank the Brain Injury Group who have funded the 2024 National Championships.

We would also like to take this opportunity to thank all the track and field officials, volunteers, University of Warwick Athletics Track and everyone who makes this event possible.

We have had an amazing number of entries this year. We would like to thank the participants and families for your continued support and your wonderful dedication to Athletics.

This year, we have an exciting opportunity to try new sports from 12.30pm-4pm. Please see the additional programme for more information!

Venue information

Address: Coventry Athletics Track, Kirby Corner Road, Coventry, CV4 7AL

There is parking available in the tennis centre car park. Please be aware that there is a charge to park for the day and this is done via smart phone when you arrive. There will be a member of staff in the morning in the car park to assist should you require it. The car park is frequently monitored and checked so please ensure you register your car on the parking instructions.

There is no shelter or stand at Coventry so we would recommend bringing chairs, waterproofs and an umbrella just in case. Refreshments are available from the small tuck shop in the clubhouse but the seating area inside will be reserved for officials and volunteers.

Failure to do so may result in all results being discounted when submitted to Power of 10 following the event/competition.
- If an athlete makes a withdrawal from a specific event they entered into (e.g. 100m or shot put), they are not allowed to re-enter that event during that competition.

We will be operating both EDM and Photo Finish at this event and all results will be sent to Power of 10.
